DISNEYWORLD HOMECOMING '75

Each person has his own special memories of things from the past. Still, there are some happenings we have all experienced . . . the excitement of Homecoming is one of them.

Let the faces on these pages melt away the time as you gaze on them, recalling memories, friends, and good times.

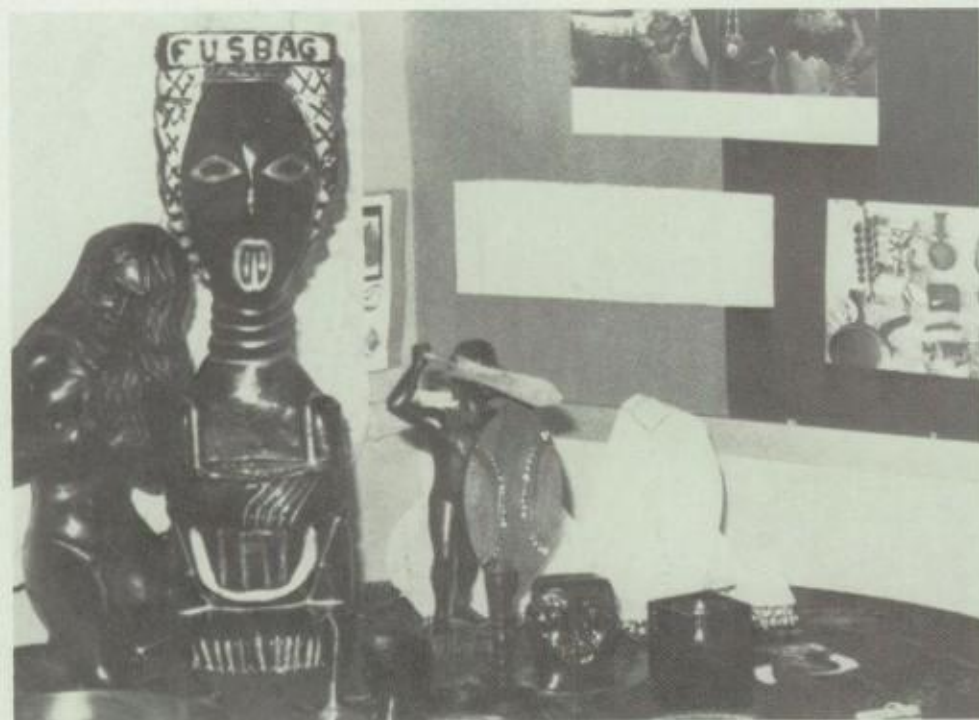

Life in school is short, and friends and teachers are soon forgotten, but hopefully, in years to come your music will be as good to listen to as it is now.

A School Speaks . . .

Twenty years ago, I was reborn - reborn with new ideals, plans, and hopes. People poured through my doors and I lived. I have no life but that life within me; I have no voice but the voice of my people speaking out in my name - a name which has come to stand for high academic achievements, good sportsmanship, and fine community relations. Mine is a foundation based upon the fundamental, moral, and spiritual values and the idea of equality among all people. I am Custer High School.

It is because of the loyalty found in my people, and their appreciation of the opportunities provided to them, and their willingness to work, that these pages are presented.

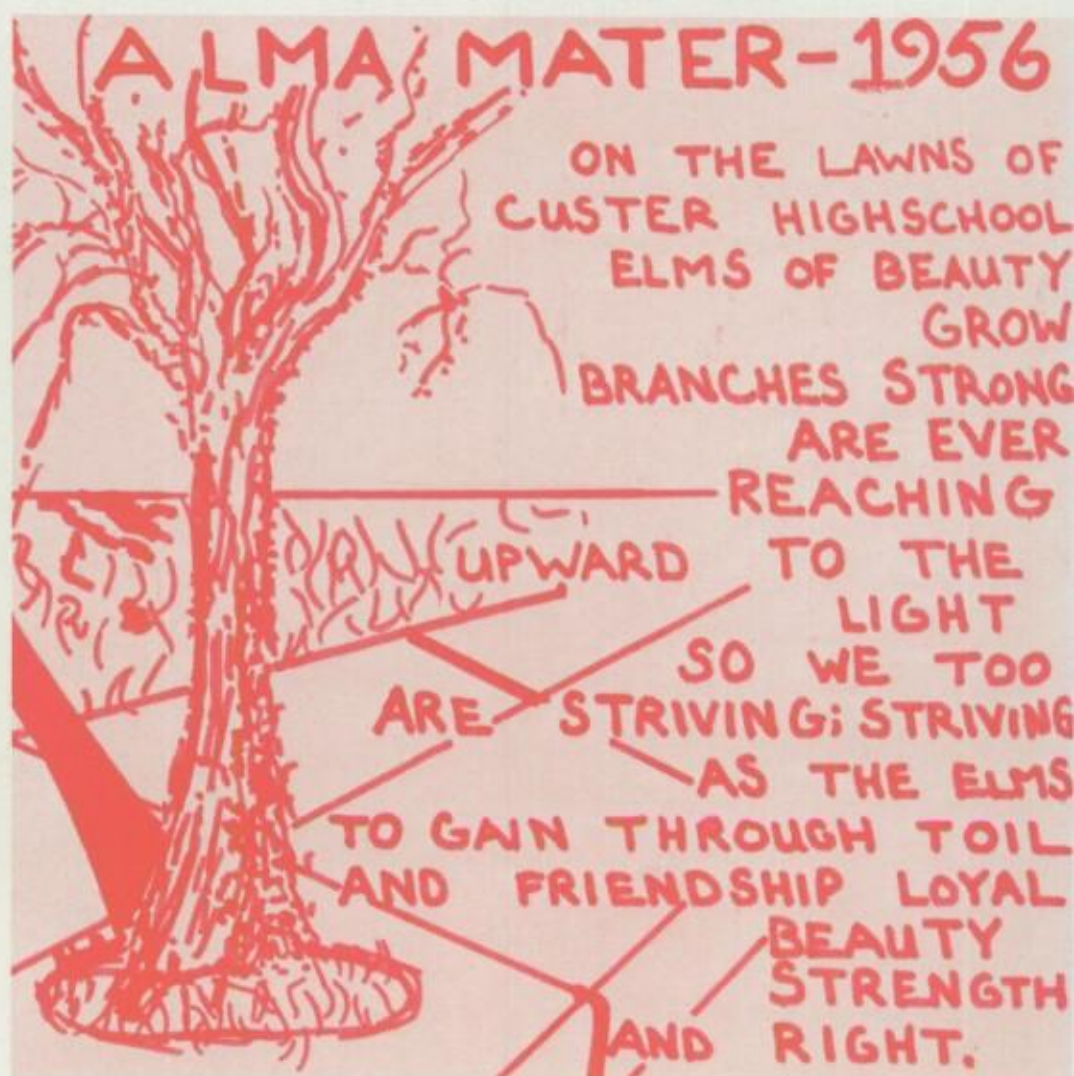

ALMA MATER - 1956

The music was adapted from a popular tune that many of the colleges were using for their school songs. How the words were chosen has been forgotten.

When the "new" me was built in 1956 the old school song no longer fit because I had no elms on my lawns.

A decision was then made by the Student Council to have a contest to compose new words, using the same tune. As sometimes happens this contest never fully developed.

CUSTER HIGH SCHOOL

Hi! My name is Custer High School. I got my name in 1929 when the town of North Milwaukee and the City of Milwaukee consolidated. At that time schools were usually named after the street on which they were located, and my address was 3621 W. Custer Ave.

Although it is known that my name originated from Custer Ave., historical searches into the old Town of Granville, North Milwaukee, and Milwaukee records have failed to yield the positive origin of the avenue's name.

On October 5, 1954 Fred W. Steffen and six other individuals made a recommendation to the school board to change the name of the new school to be built on Sherman Blvd. from Northwest High School to Custer High School. On January 11, 1955 after due process it was agreed to change the name.

It is presumed to have been named after Harvey S. Custer, a constable in the Town of Granville. He was recognized throughout Granville as a prominent and public-spirited Citizen.

In April of 1972 Donald J. O'Connell submitted plans to re-evaluate Custer's name. It was finally resolved that the proper name is Harvey S. Custer.

ME

I am the actual building, the walls, nails, concrete, and fixtures of Custer High School, and I too have my story to tell.

When a decision was made to build a new high school in this area, almost 17.5 acres of land on Sherman Blvd. was purchased at the price of \$165,208.

My ground breaking ceremony took place on August 21, 1953. The contractors were Grassold-

Johnson, Architects. The contractors built me at a cost of \$4,500,000.

When I was completed I had a capacity of 1,800 students, and I was a comprehensive high school.

I was opened in September of 1955. I included grades nine through twelve, and I had an enrollment of 1,764 students.

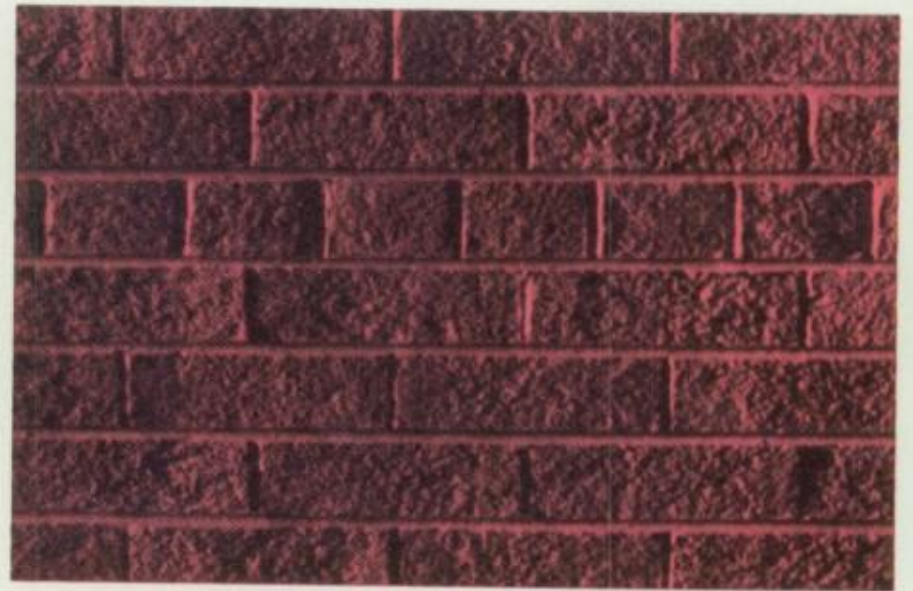

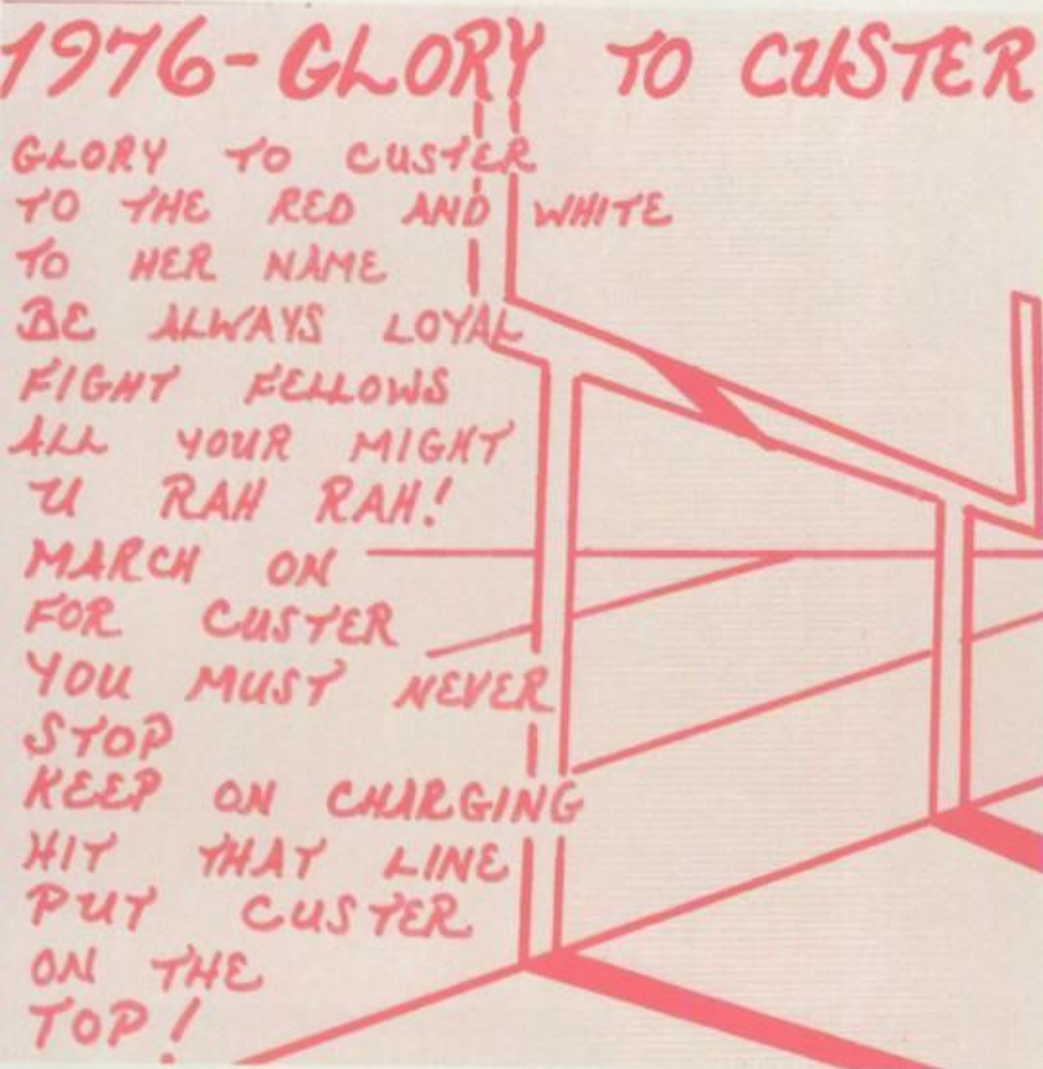

My Principal, Mr. Raymond F. Michalak, headed a staff of a Vice-Principal, 71 teachers, and 3 secretaries.

I was dedicated on December 4, 1955 in the school auditorium.

1976 - GLORY TO CUSTER

The song we now sing was once my fight song.

The words were written by Mr. E. Grant Boltz, our former orchestra director; and the music was written by Mr. Norman Bronstead, our former band director.

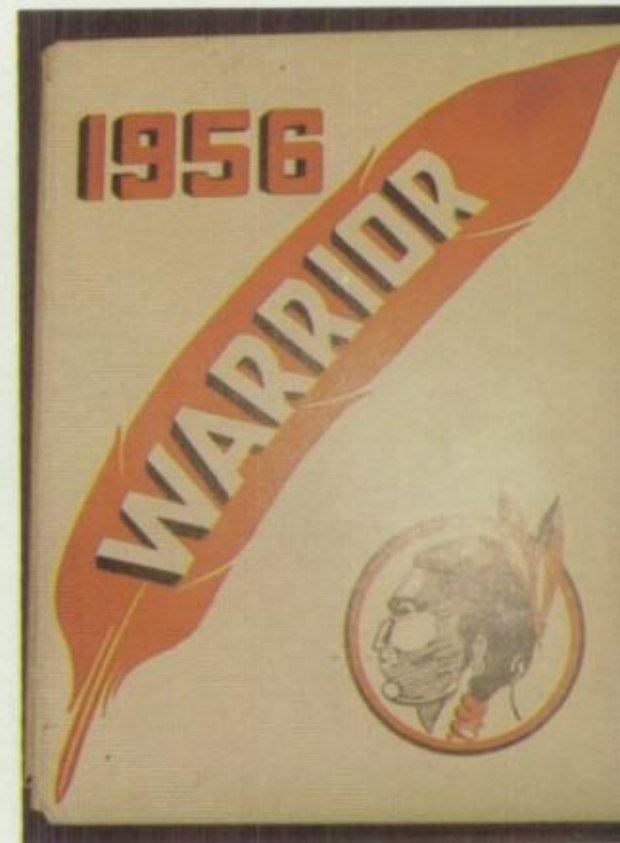

SCHOLARSHIP FLAG

I am the scholarship flag, and once hung honoring seniors who had received scholarships. I was hung in the main lobby during April, May, and June. Each day I hung honoring a different person. I was designed by Virginia Wollerman in 1961. After some years, the students and administration lost interest in me, and I was forgotten.

VICTORY FLAG

I am the Victory Flag, and unlike the Scholarship Flag, I fly with little knowledge of my background. Obviously, I have flown to tell the community of our success and pride in our school's great accomplishments. For years I was forgotten, but with the help of Karen Johnson and co-operating faculty members, I am trying once more to become a great symbol of Custer.

CHRONICLE

I, the Chronicle, am not new to Custer. I began in 1931 as a single mimeograph page containing the Honor Roll and poems. Through the years I have grown in size, volume, and circulation. Today, the Chronicle is a record of current events.

RETSUC

Hello, my name is Retsuc and I am the school mascot to promote school spirit. I came into being shortly after the students were settled in our new school building. The teachers and students felt strange in the new environment. To gain school spirit, our former principal, Mr. Raymond F. Michalak, directed a contest. The winner was Jerry Grasse, who designed me. Years later I was dropped because of the feeling that I was discriminating against our American Indians. I have managed to live on, and you can still see me on classrings, yearbooks, flags, and other items which symbolize Custer.

WARRIOR

In the beginning there was
an Idea;
The Idea became a Reality -
This book took shape;
The Reality becomes a
Tradition.
The Warrior is yours.

I am the Warrior and I was born with this new building, on October 19, 1955. The name was chosen because at that time Custerites were known as the Warriors. As you know, today we are known as the Indians. My first Editor-in-Chief was Richard Litscher, under the direction of Miss Jean Jacks.

Tip-Off week was highlighted by Crazy Hat Day, Dress Down Day, Dress Up Day, and Red and White Day. Due to poor ticket sales, the Tip-Off dance was cancelled, but the court was honored in ceremonies at the game. The varsity team kicked-off the Basketball season with a victory over North.

TIP-OFF

The week of Homecoming 1975 started out with Backward day, when only the brave reversed their clothes and wore them in public. On Mickey Mouse day, the seniors, juniors and sophomores dressed as Mickey Mouse, Pluto and Donald Duck, respectively. Hall decorations brightened the school with a colorful Disney atmosphere. Friday afternoon's pep rally left everyone full of excitement for Saturday's parade and game. The football team topped the week with a 33-0 victory over King. With hoarse throats and tears in their eyes, students and alumni took a last look at the winning score and went home to prepare for the dance. Music by Nerf, the theme song "Best of My Love," and refreshments put the final glowing touches on homecoming week.

CARNIVAL

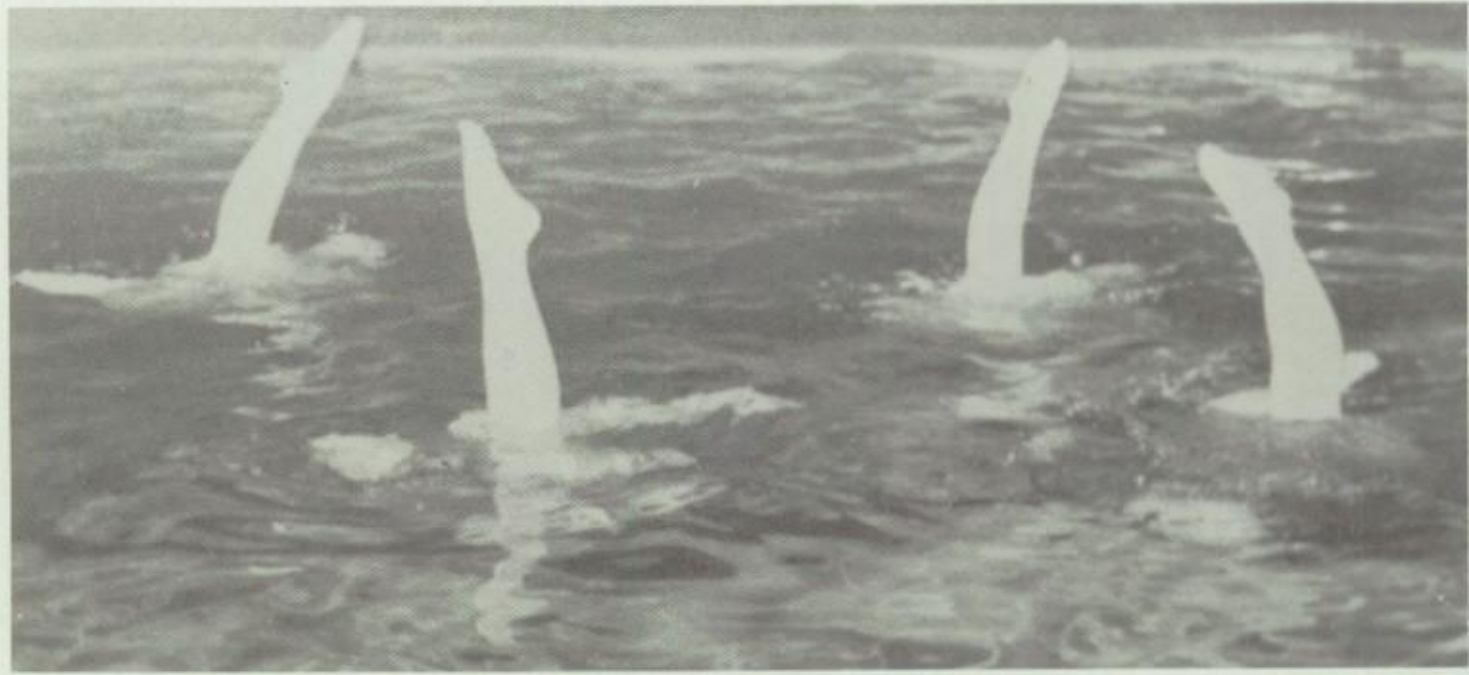

This year's spring musical "Carnival" was a potpourri of laughter, tears, and success. To generate enthusiasm, the cast and crew presented a mini-carnival which featured live animals, balloons, and games. The multi-talented Theatre Department worked long and hard to present a production of top quality.

CUSTER NAIADAS

This year Naiadas presented a Bicentennial, a show that dazzled with splashes of color, excitement, and fun. The year long preparation of the performance included hours of early morning practice, hours of afterschool practice and pangs of last minute panic as the members finally sewed up their costumes and secured decorations. Following the Custer tradition for excellence, the talented swimmers had once again delighted the audience with their imagination and creativity.

ROOM*

***Mr. William Thomas,
Principal***

"It is not what you like,
but in liking what you do
that is the secret of
happiness."

***Mr. Victor Anderson,
Assistant Principal***

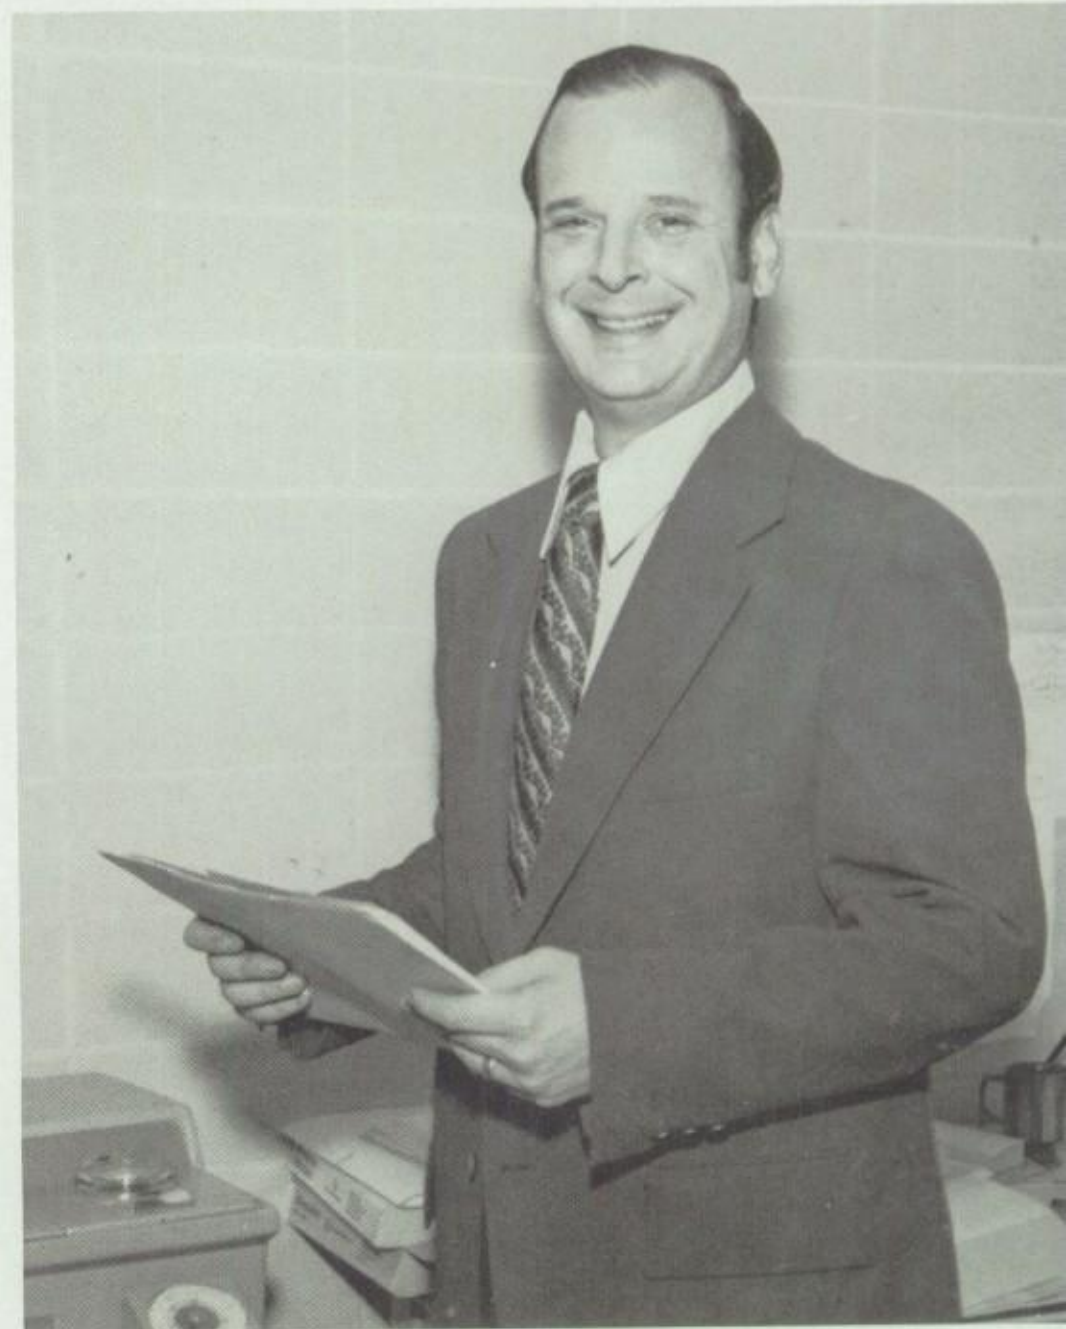

"Be honest. You must expect some people to dislike you, but nobody should ever distrust you. Your word is your most valuable asset."

***Mr. Robert Didonato,
Assistant Principal***

"Remember, today is the first
day of the rest of your life.
Keep an open mind and maintain
your willingness to learn.
Regardless of your future plans,
always strive to do your best,
and be the best."

***Mr. Saul Reeves,
Assistant in Administration***

"To be negative all the time
is foolish.

To be constantly positive is
naïve.

The middle road is smooth, level,
and sane."

TEAM SECOND IN GOLD DIVISION

This year's football team did an outstanding job. The team consisted mostly of seniors, but hopefully the juniors and sophomores learned what it takes to really make a team from

the seniors.

The captains John Kroll, Tyrone Powell, and Jon Fischer led the team in finishing second in the city.

SOCCER

This year's captains, Lee Cielonko and Dan Hagen, were also co-recipients of the year's Most Valuable Player Awards. According to Coach Williams, the difference between last year's team and this year's is the fact that they had to play as a team to achieve the victories that they did. Lee West was selected for the All City Soccer Team for his third year, and he was also selected for the All Mid-West Team. Lee Cielonko and Jon Yenor were also selected for the All City Soccer Team. Outstanding players of the year were Jon Yenor, Lee Cielonko, Dave Nehls, Alan Augustin, Brad O'Leary, and Frank Engert. A strong second place finish in the Gold Division was achieved by a team that played well together.

best team yet . . .

This year's team, led by Captains John Melnick and Gary Clark, finished an outstanding season. It placed first out of eight teams in the Northside Championship and third of 15 in the City Meet. This year's Most Valuable Runner was John Melnick, who is the first runner in Custer's history to make the All-City team; and placed the highest of any Custer runner for the entire season based on all meets. Gary Clark was presented with the Most Improved Runner Award. Gary finished his third and last year with an outstanding season. Other outstanding performers were Dave Adams, Karl Melnick, John Medved, and Todd McFatrige. Because this year's Varsity team was a young one with only 2 seniors in the top 5 runners, next year's team will have great potential with Karl Melnick and Dave Adams leading the way with 5 returning lettermen.

CITY CHAMPS

This year's team went all the way through the season with a record of 13 wins, 1 loss.

Several individuals, Pete Carter and Lee West, were outstanding performers in each game because every player worked well together and gave these two the ball when points were needed. Congratulations should also be given to Pete who was picked on the first team All-City. Coach Hinchcliffe deserved to win the city trophy for the time and patience he gave to the players. He was also elected as the coach of the year for his efforts.

GIRLS BASKETBALL

This season was a very successful year for the Girls Basketball Team. The team posted a 12-2 city record and won the regional championship.

The girls played as a dedicated team and helped each other out. Brenda Howard and Shauneille Harrell were the first Custer girls to be selected to the first All-City Basketball Squad.

This was a young team and we are hoping to do as well next season with other girls representing Custer on the City Squad.

Senior week began with Honor Day on June 8. Wearing our caps and gowns we went to the Auditorium to watch as the honor graduates received their awards for academic achievement and service to the school. This year a new award recognizing students with a 3.8 grade point average was given to twenty-one members of the class of '76. These students were awarded a special red and white stole which they wore over their gown. The eight members of the Girls Track Team who won the State Championship on June 4-5 were honored. The Senior Ensemble and the band provided musical entertainment. Beverly Turman was presented with a resolution passed by the Common Council of Milwaukee, commending her as the first woman from Wisconsin to be appointed to the Air Force Academy. Alderman James Kondziella of the ninth district introduced this resolution to the Common Council and presented it to Beverly at the Honor Day Program. After the program the seniors and their guests went to the Cafeteria to eat all the wheat cakes and sausages they could at the Senior Breakfast.

The Senior Banquet was held on the evening of June 8 at Mannings Restaurant, where the seniors enjoyed an excellent buffet. Great entertainment was provided by members of the class of '76. The evening ended with a dance.

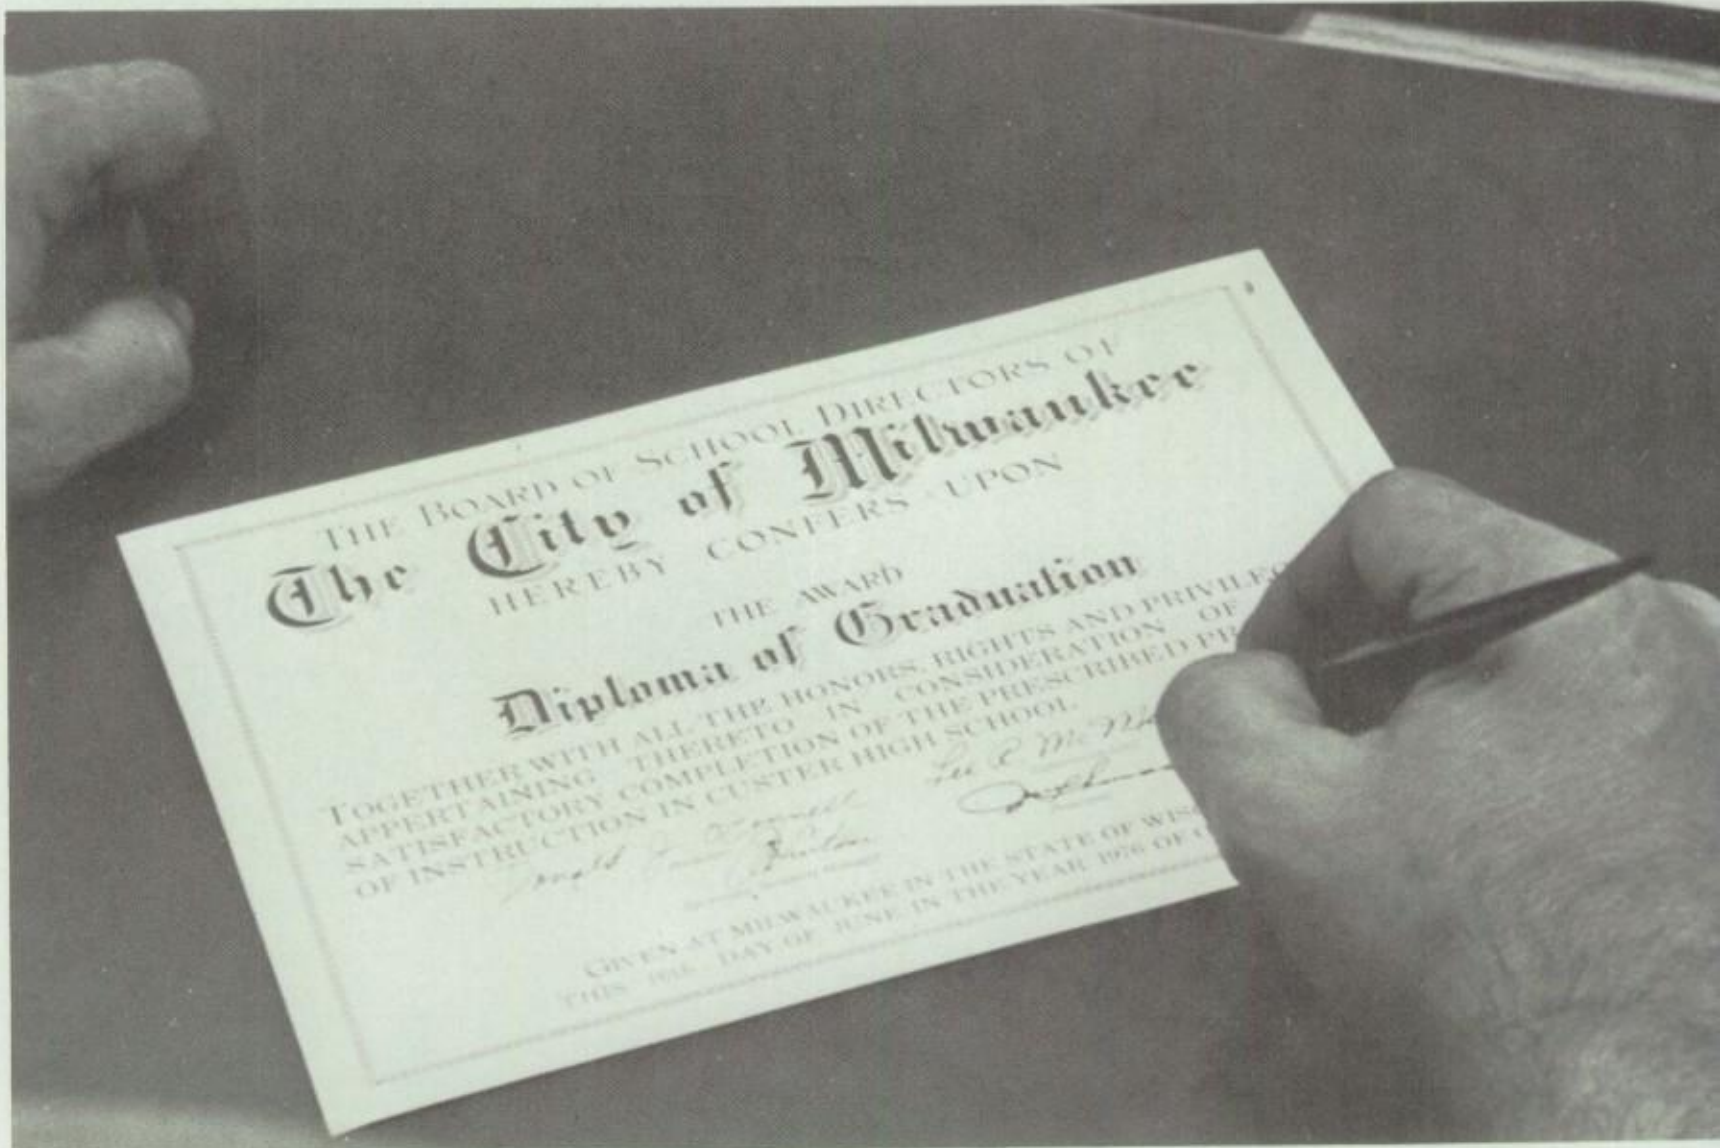

Our last day of classes on June 11, found the seniors cleaning three years of memories out of their lockers.

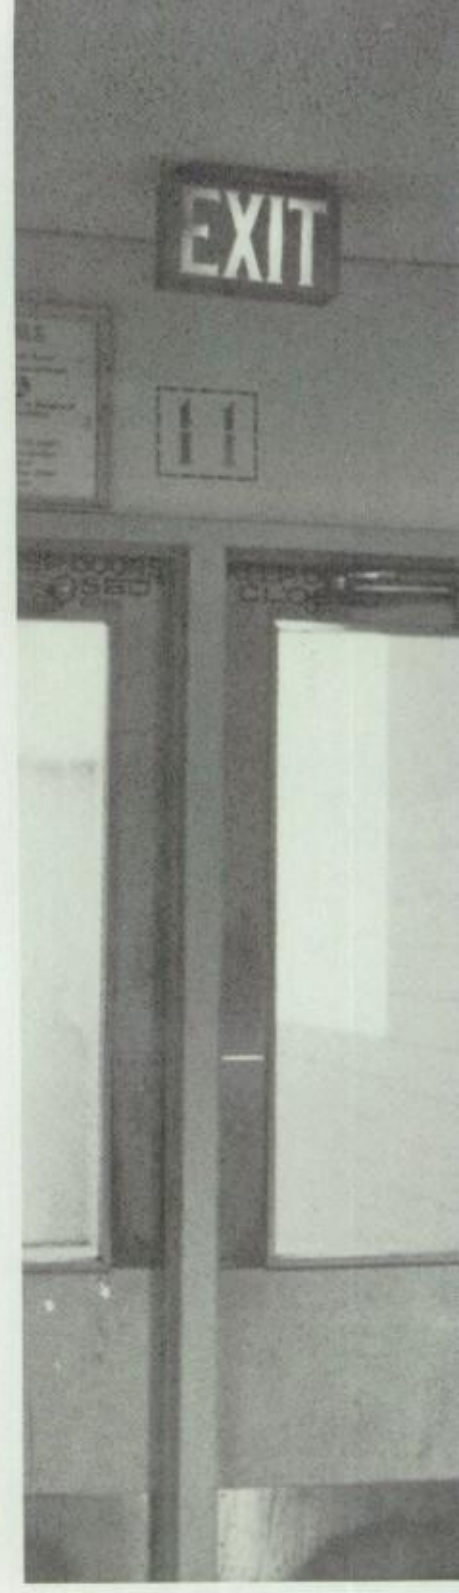

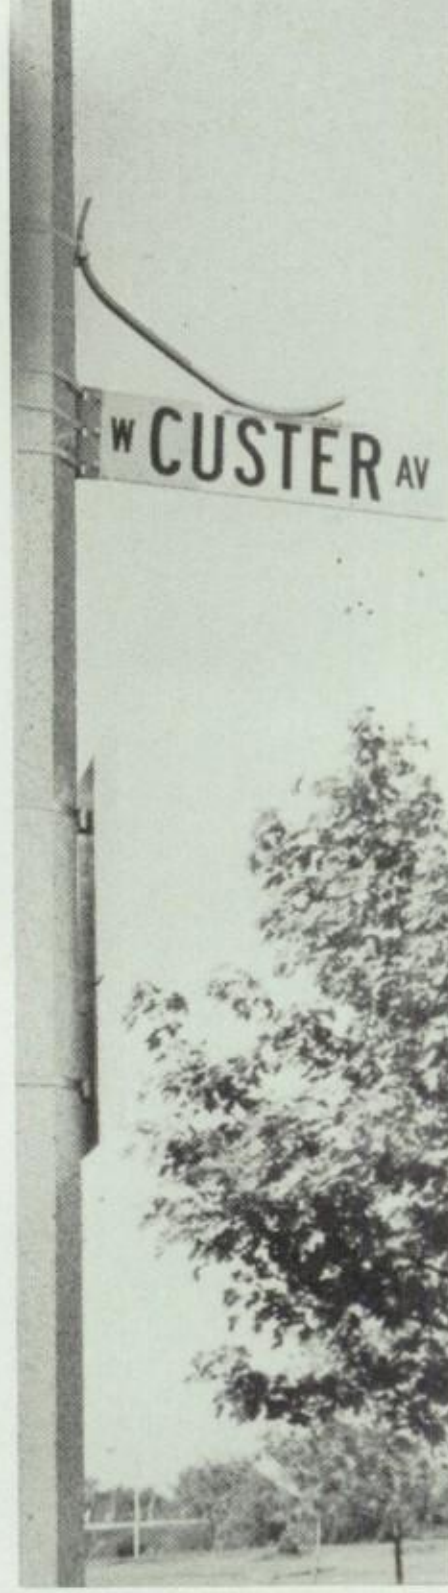

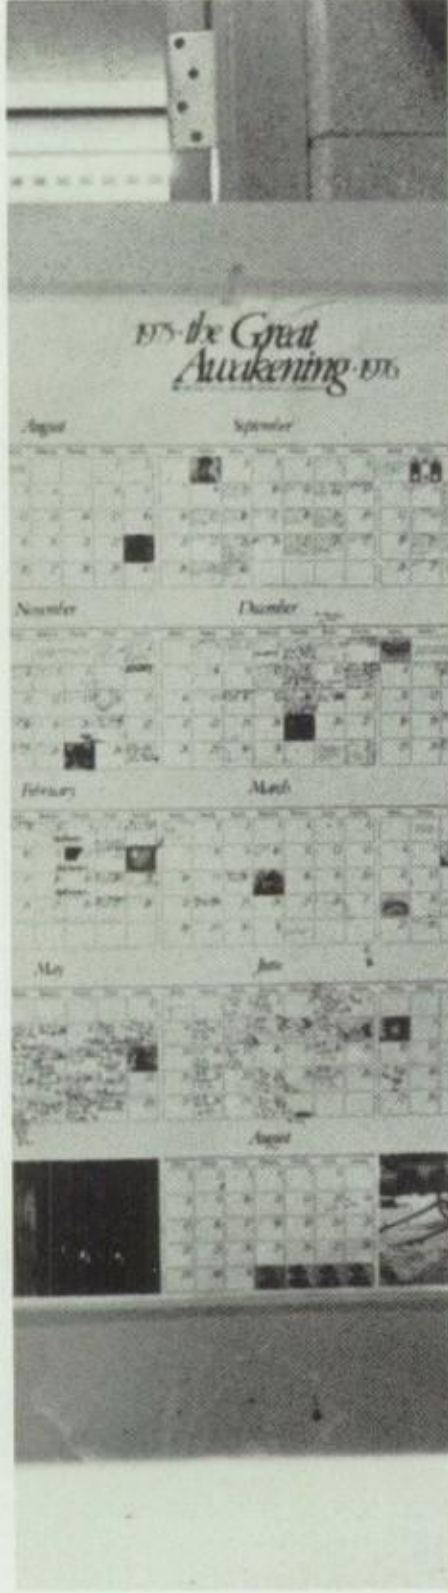

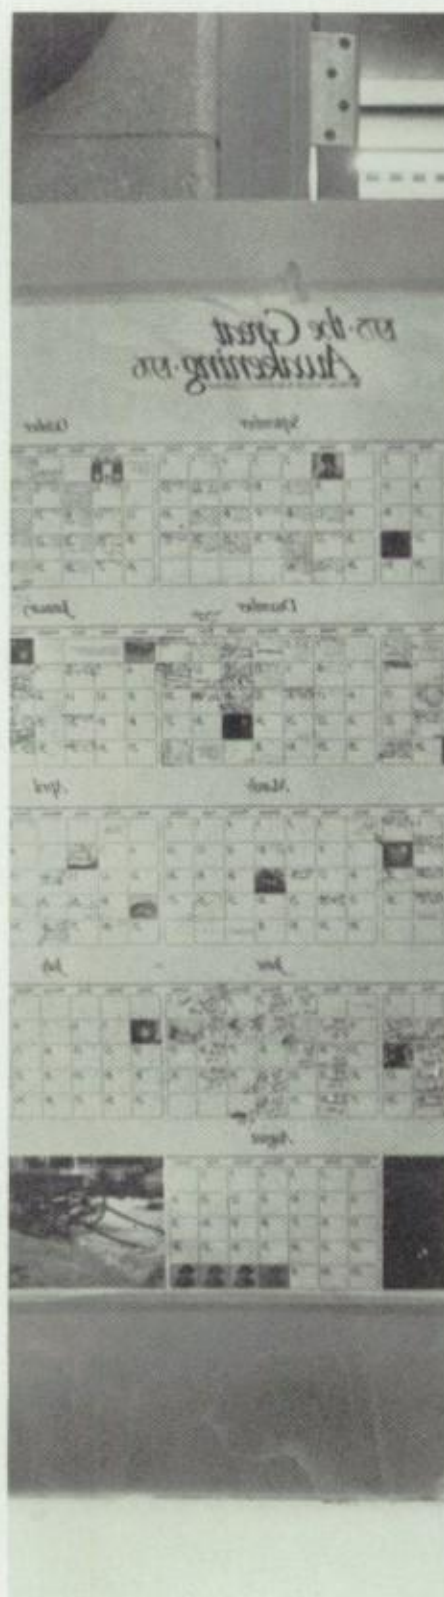

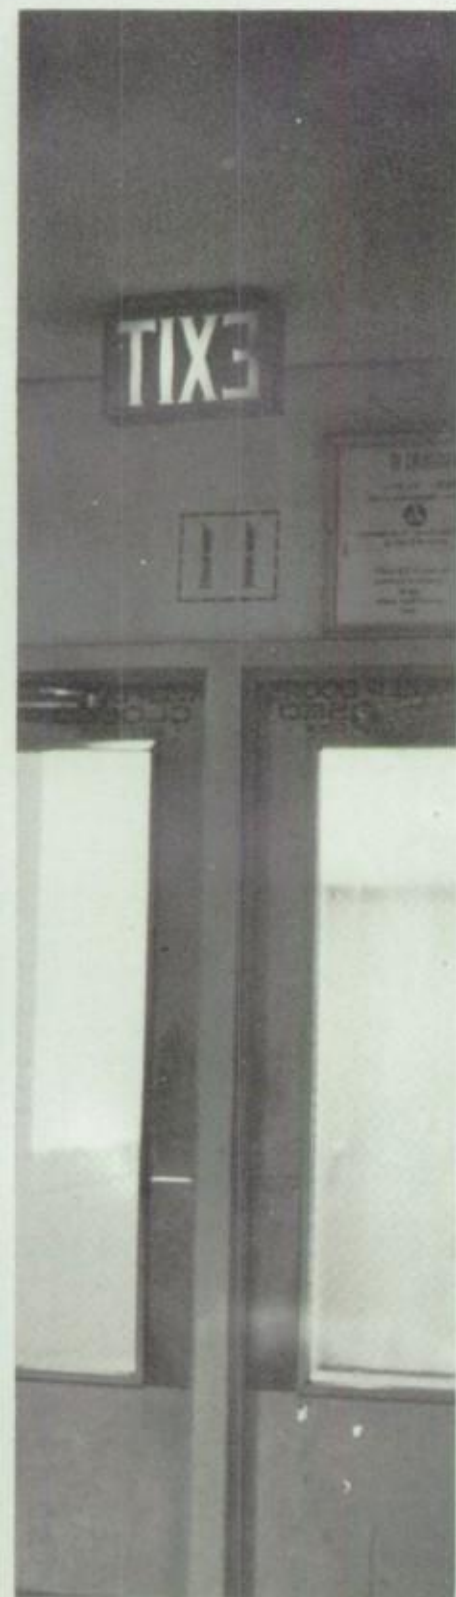

Graduation Day, June 14, brought our three years at Custer to an end. Our graduation was held at the Performing Arts Center. After a seemingly endless wait we found ourselves marching into the PAC to the strains of Pomp and Circumstance. Peggy Benes gave the welcoming address, Gail Follansbee presented the class gift to Mr. Thomas and Sue Guk addressed the graduates. After short talks by Mr. DiDonato and Mr. Hinchcliffe, Doris Stocker introduced our homeroom teachers. As they announced our names we proudly walked across the stage to receive our diplomas. When we had turned in our caps and gowns we found ourselves leaving the PAC and "Entering the World" as graduates of Custer High School.

The Growing Tree

A tree begins with a seed,
The seed finds good ground for it to grow.
We are the seed and
Custer has been our ground.

The seed takes root and
Begins its reach upward toward the sun.
We took our root in becoming involved and
We reach upward by trying to learn through experience.

As the seed becomes a tree
It is affected by the wind, the rain, the seasons, and sun.
As we put together this yearbook,
We were affected by the seasons, the deadlines,
the setbacks, and the accomplishments.

The tree grows tall and strong,
Ever reaching its branches upward towards the sun.
As our yearbook became an organized reality,
It grew reaching towards our goal of:
Reflecting the ideas, fads,
hearts, and accomplishments of the
people of Custer High School for
a single year.

At this time I would like to thank all those who helped to make this yearbook possible, Mr. Gene Church for all his supreme guidance, Mr. Gene Spranger for his photography, Mr. Ralph Krueger for all the many things he did, and to anyone else who helped along the way.

I saved the best for last. I would like to thank Mrs. Barbara Niggemeier for all the time and hard work she devoted to us. This was Mrs. N's first year as a yearbook advisor and she did a great job. My staff . . . I love you all! I've enjoyed the fun, the parties, the arguments and the work more than anything else this year. It was rough at times, but we tried.

Thanks for being with me.

Always -
Karen Johnson
WARRIOR Editor-in-Chief
